

TO LET

LEASE FOR ASSIGNMENT

UNITS 1 & 2, MACE LANE INDUSTRIAL ESTATE, ASHFORD, KENT

LOCATION

The Mace Industrial Estate is located immediately south of Ashford town centre with excellent road access into and out of the estate from Mace Lane (traffic light controlled). The estate is an established estate with offices and other industrial units surrounding it.

These two units form the top two units in the rear terrace of eight, close to the multi-storey car park which provides car parking for additional vehicles in addition to the existing forecourt.

Ashford, in Mid Kent, is approximately 54 miles south east of London, with an expanding population and benefiting from good road links (M20 1 mile) and international and domestic rail connections. The link to London is currently being upgraded to a high speed link, with reduced journey times in 2007 down to 35-40 minutes.

/...

DESCRIPTION

The premises comprise two units which are interconnected with two storey offices on the front elevation with concrete portal framed warehouse at the rear, each unit having a loading door. The eaves height varies but has an average of 14'. There are roof lights to provide natural light and potential rear loading if required for smaller vehicles.

There are twelve car spaces within the multi-storey car park and space on a surfaced forecourt for vehicle parking.
